Alumni give back to B.A.E.F.

Dear Alumnus,

The Alumni survey, that we launched about a year ago in the context of BAEF's upcoming centennial, clearly indicates that being a BAEF Fellow had a very positive impact on the life of most of us. The survey also shows that a large majority of us wishes to give back to the BAEF in the form of ideas, time or money.

As a consequence, the BAEF Alumni Committee takes the initiative to launch an **Alumni Fellowship** through crowdfunding on an annual basis. The aim is to get a maximum number of Alumni involved, each contributing even a small amount, in order to provide collectively a young talented individual with the same opportunity as we benefited from: a BAEF Fellowship.

Be part of it ... and help make this new Alumni Fellowship possible. Start making a donation this year to reach the goal of **30.000 €** which will be matched by the Foundation from its general fund.

Donations before December 31 will be fully tax deductible for 2015 (40 € minimum) for Belgium Tax Resident.

Suggested donation levels :

Friend	50 €
Supporting Member	250 €
Sustaining Member	500 €
Patron	1000 €
Leadership gift	5000 €
