

Challenging offerings of research at the “Société des Bollandistes”, Brussels

SOCIÉTÉ
DES
BOLLANDISTES

Research Institute & Library – Est.1607

Name **The Bollandists: CENTRE OF HAGIOGRAPHIC STUDIES**

Description

The Société des Bollandistes is the world reference centre for hagiographic studies. The exceptional resources of its library, its publications (*Acta Sanctorum*, *Analecta Bollandiana*, *Subsidia Hagiographica*, *Tabularium Hagiographicum*), its specialized experts team make it the best place for developing a research in the field of hagiography. This is a unique opportunity for outstanding doctoral candidates or postdoctoral researchers in Medieval History or Medieval Latin Philology or Byzantine Studies with a specific interest in hagiography. The fellow will be closely associated with the Bollandists' activities, thus being further trained in the field of critical hagiography. Some knowledge of French is required.
